CEREMONY SITE OPTIONS

GAZEBO

Our lovely rotunda-style gazebo is our most popular ceremony site option. The white gazebo is situated in the heart of our property along the shores of the private lake and offers expansive views of the manicured grounds for all your guests. Our paver walkway and unique bridal trellis provide the perfect frame for the bride's entrance. Your guests will enjoy the casual elegance of an open-air lawn wedding which is great for large ceremonies of up to 300 guests.

THE BOTANICAL GARDENS

The gated formal gardens provides a gorgeous setting for more intimate outdoor ceremonies with up to 50 guests. The gardens are beautifully manicured and strategically planted so they supply lovely colors throughout the wedding season. Abundant flowers, shrubs, trees, and planters provide plenty of decor for your service and a beautiful backdrop for photos. Your guests will enjoy meandering the curved pathways of the gardens to the center where the couple unite for their wedding. Simple white garden chairs and candles make this a memorable and elegant site choice. Night ceremonies are also available with this option.

CLARA'S CHAPEL

Clara's Chapel is a standout on the Ranch, located adjacent to the botanic gardens. This vintage chapel was moved from Irma, WI and reconstructed on our property in 2017. It is dedicated in honor of the U.S. Armed Forces. It still houses the original, hand-pulled bell that can ring out for your celebration. Our little white chapel can hold up to 50 guests and is available year-round. It can also serve as a backdrop to an outdoor service on the lawn out front. The chapel is a jewel on our property and a photographer's dream.

RONDELE RECEPTION TENT

Our outdoor reception tent is what we are known for and it can serve as a blank canvas for your special day. The tent is our largest event space (120 ft x 40 ft) which holds up to 300 guests. It can be decorated and organized for any occasion. The layout can be customized to suit your needs and comes equipped with a beautiful dance floor (think open-air ballroom) and risers for a head table or a band. The reception tent sits atop the event promenade overlooking the lake, and the bar, restrooms, bridal suite, and Lakeside Four Seasons Room are all only steps away.

LAKESIDE FOUR SEASONS ROOM

Lakeside Four Seasons brings nature indoors with its expansive 270-degree views of the lake and surrounding Rondele landscape. As the name implies, this climate-controlled room is available year-round. It offers a reprieve from the heat in midsummer and the woodburning fireplace and in-floor heating help make it cozy in winter months. This is a great site for more intimate indoor affair, post wedding hors d'oeuvres during cocktail hour, or day-after brunch and gift opening. The room can be set for up to 75 guests and features high ceilings, exposed beams, mood lighting, and an enormous stone fireplace . . . North woods elegance at its finest!

RAEGAN'S RECEPTION HALL

Raegan's is the largest indoor space at Rondele Ranch with a seating capacity of 150 guests and is available year-round. Beautiful handcrafted wood and iron works adorn the space giving it North woods style. It has a catering kitchen for all your culinary needs, an indoor bar, and variable lighting to help create the perfect ambiance for your event. The versatility of this hall make it a very popular option with our guests.

THE BRIDGE

The bridge across the lake is a favorite site and prominent feature at Rondele Ranch. It is a handcrafted, custom structure that holds endless photographic opportunities both on and around the beautifully landscaped entrances. The bridge offers unique views across the lake and is a peaceful, romantic setting not only for photos but for a ceremony, grand march, or engagement. The bridge connects the paved pathways around the lake inviting all to relish the special moments connecting with family and friends in this natural setting.

FB – MARKIE OTTO recommends Rondele Ranch

We had our small, intimate wedding at Rondele 9/26/20 and it was the absolute best day! I cannot recommend this place enough, amazing venue with spectacular amenities, plus Josh and Vonda were great! We took advantage of the whole property, outdoor fire pits, amazing gardens, trap shooting, paved walkways to take in the scenery. From the bridal suite, to the elks lodge for the guys, to the back up chapel in case it rains, this place has it all! We canceled our big downtown Milwaukee wedding and opted for this North woods setting instead and was the absolute BEST decision. If you’re thinking of booking a wedding here, don’t hesitate for one second. It’s amazing!! Thank you Rondele!

Our daughter got married at the Ranch and the event was flawless. The staff did everything possible to make the event go smoothly and treated our friends and family to a great experience. It was everything we wished for and well worth the investment. It was great to have wedding party all together on the grounds. Thank you for making a “dream wedding” come true!!

We had our wedding at Rondele Ranch on 1/30/21. It was absolutely perfect. All of the staff were incredibly easy to work with. They made sure we had everything we ever wanted/needed. The decoration they did for us were amazing. We even had a snow storm the day of and they plowed the paths for us to take pictures. Could not recommend this venue enough!
